NPS-National
Project Services

WELCOME TO OUR WORLD

National Projects Services (NPS) is a premier provider of facilities management services, construction, and manpower solutions in Abu Dhabi, offering a comprehensive range of high-quality services tailored to meet the unique needs of various industries, including oil and gas, hospitality, and retail.

Our commitment to excellence and industry-leading expertise ensures that each project is delivered with professionalism and efficiency, enhancing the operational capabilities and safety standards of our clients. With a dedicated team of skilled professionals, we take pride in supporting businesses with dependable, innovative, and cost-effective solutions.

ABOUT OUR COMPANY

At National Projects Services (NPS), we bring specialized expertise, comprehensive solutions, and a client-centric approach to every project, offering a one-stop destination for facilities management, construction, and manpower needs across Abu Dhabi. Our skilled workforce, commitment to quality and safety, and deep understanding of local industries enable us to provide tailored solutions that drive efficiency, safety, and growth for our clients.

At **NPS** we prioritize client satisfaction and the successful completion of projects on time and within budget. Our reputation for excellence has been built on a foundation of trust, transparency, and innovation. We continuously invest in our people, processes, and technology to deliver cutting-edge solutions that align with the vision and goals of our clients. Whether it's a small-scale project or a large infrastructure development, we are committed to exceeding expectations and delivering results that stand the test of time.

Quality Policy

At NPS, we are committed to delivering the highest standards of quality in all aspects of our operations, ensuring that every project we undertake is executed with excellence, safety, and client satisfaction. Our goal is to consistently meet or exceed the expectations of our clients, stakeholders, and regulatory requirements, while fostering a culture of continuous improvement.

Vision

To be recognized as a trusted partner in the construction and facilities management sector, driving sustainable growth, operational efficiency, and world-class service across Abu Dhabi and beyond. We aim to lead the industry with innovative practices, skilled manpower, and an unwavering commitment to client satisfaction.

Mission

Our mission is to be the leading provider of comprehensive facilities management, construction, and manpower solutions in Abu Dhabi. We strive to exceed client expectations by delivering tailored services that prioritize safety, quality, and sustainability, ensuring that every project we undertake supports operational excellence and long-term success for our clients.

BUILDING CONTRACTING SERVICES

WHERE INNOVATION MEET CONSTRUCTION

NPS offers a comprehensive range of building contracting services tailored to meet diverse client needs. As a general contractor, we oversee all phases of construction, including civil, electrical, mechanical, and structural works. Our team delivers exceptional architectural services, alongside durable roofing and waterproofing solutions. We take pride in our meticulous finishing works that enhance the functionality and aesthetics of each project. In addition to new builds, we specialize in renovation and refurbishment, revitalizing existing structures to meet modern standards. Our external works and landscaping services create attractive outdoor spaces that complement our buildings. Committed to quality, safety, and sustainability, NPS ensures that every project exceeds client expectations and provides lasting value.

HVAC SYSTEMS

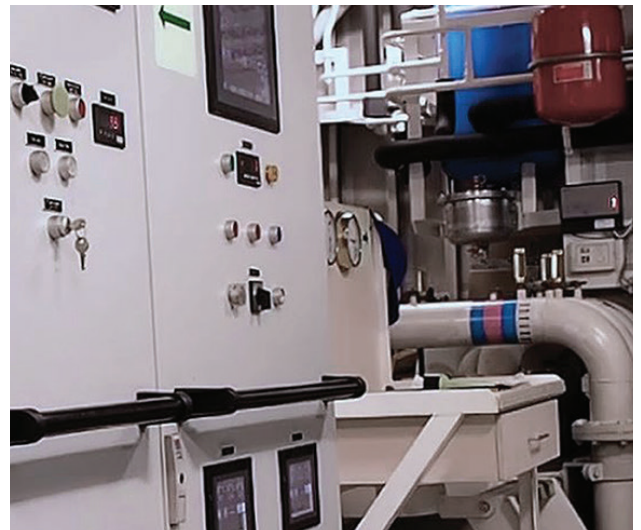

At NPS, we specialize in the installation and maintenance of advanced air-conditioning, ventilation, and air filtration systems, working closely with clients to design customized solutions that ensure optimal indoor air quality and comfort. Utilizing the latest technology and energy-efficient systems, we reduce operational costs while enhancing environmental sustainability. Our commitment to excellence guarantees that every installation meets industry standards for reliable performance. Additionally, our comprehensive maintenance services extend the lifespan of your equipment, minimize downtime, and prevent costly repairs through thorough inspections and preventive care. With NPS, you can trust that your indoor environment will remain comfortable and healthy year-round.

ELECTRO- MECHANICAL EQUIPMENT INSTALLATION AND MAINTENANCE

NPS is a leader in the installation and maintenance of electromechanical equipment, delivering reliable solutions across various industries. Our experienced team manages every aspect from planning and design to installation and commissioning, ensuring optimal system performance. Utilizing advanced technologies, we tailor our services to meet the unique needs of each project, whether for industrial applications or commercial facilities. We also recognize the importance of maintenance for the longevity and efficiency of electromechanical systems, offering customized plans to prevent equipment failures and reduce downtime. Our skilled technicians conduct regular inspections, troubleshooting, and repairs, enabling clients to ensure their systems operate seamlessly and enhance productivity and reliability in their operations.

PLUMBING & SANITARY INSTALLATION

At NPS, we are committed to delivering the highest standards of quality in all aspects of our operations, ensuring that every project we undertake is executed with excellence, safety, and client satisfaction. Our goal is to consistently meet or exceed the expectations of our clients, stakeholders, and regulatory requirements, while fostering a culture of continuous improvement.

ELECTRICAL FITTING CONTRACTING

NPS specializes in electrical fitting contracting, delivering safe and efficient electrical installations for various applications. Our experienced electricians are well-versed in the latest electrical standards and technologies, ensuring that every installation is completed with precision and safety in mind. From wiring and lighting installations to power distribution and backup systems, we cater to both residential and commercial projects, providing tailored solutions that meet the unique needs of each client.
